[illegible]

They put up very good stake for new
my horse & the horse of the family

gal by over coming these qualities by the means
in the next way rather by a more moderate
shift outwards on the opposite

[illegible]

finding his so long time bliff & very much
 must be preserved for the sake of the
 he was very well at the same time
 very much at the same time & much more
 preserved & his off his job what more
 more brought
